FreshAF

FOR CAR WASH PROS

Your quiet hours are worth money.

FreshAF sends paying customers straight to your phone. You set your own prices, you choose your area, and you take only the jobs you want.

You name the price

Set your own rates. What you quote is what you earn.

No cut of your money

We buy the job at your price and pay it in full. No commission, no platform fee, nothing deducted.

Free to join

No signup fee, no monthly fee, no contract, no lock-in.

What you get

You set your own prices
Charge what your work is worth — per wash, per vehicle type. No app tells you what to earn.

Instant job alerts
New jobs land on your phone the moment they come in. No smartphone habits required.

Card or cash
Customers pay how they like. Cash jobs you collect on the spot.

Choose your area and radius
Work only where you want to. Set 5 km, 20 km or your whole town — change it any time.

Accept or ignore, always
No penalties, no targets, no obligation. Busy day? Ignore it.

Build your own name
Every rating you earn is yours — customers ask for you by name.

How it works

STEP 1
Register free
Your details, your services and the prices you want to charge.

STEP 2
Set your area
Pick your suburb and how far you're willing to travel.

STEP 3
Start taking jobs
Alerts come to your phone. Accept the ones that suit you.

GOING LIVE SOON

Only a limited number of washers per area.

We're signing pros area by area so nobody gets crowded out. Claim your area now and you keep it when we go live.
